

# Our Daily Routine

## Welcome to SKSG Preschool, where every day is a journey of discovery and joy for your child!

Our day begins as children are warmly greeted and settle into a variety of engaging, learner-led activities. These activities are carefully designed to capture their interest and spark their curiosity while the children wait for all their friends to arrive.

Once everyone is here, we come together for a welcoming song and a chat about what we have planned for the day. This time includes more songs and sets a positive, energetic tone for our adventures ahead!

We start our morning with playful learning about letters and phonics. Through a range of activities, children explore language in a way that feels natural and fun. Following this, we shift our focus to numbers, integrating math into our playtime with hands-on activities that make learning exciting and accessible.

Mid-morning, we take a break to enjoy a yummy snack. This is a special time where we all sit together at the table in the kitchen, practicing our manners and enjoying conversations. It's a wonderful opportunity to build community and foster social skills.

After snack time, we dive into our thematic projects. These themes change every few weeks, offering fresh and diverse learning experiences that captivate the children's imaginations and encourage deeper exploration.

Physical activity is a key part of our day, and we know how much the children love it! Whether we're having fun in the gym or exploring our beautiful outdoor play area, this time helps develop their physical skills and allows them to release their energy in a healthy way.

Following this active time, children have free time to choose their own activities. Whether they decide to play, dance, or explore new materials, this unstructured time is filled with opportunities for creativity and self-directed learning.

Lunchtime is another communal gathering in the kitchen, where we sit together and enjoy a meal. It's a delightful time to relax, share stories, and strengthen our bonds.

As our day comes to an end, we clean up together and prepare for pick-up. This routine helps children transition smoothly and end their day on a positive note.

Every day at our preschool is thoughtfully designed to be full of engaging opportunities that ignite your child's curiosity and foster a lifelong love of learning. We look forward to welcoming your child and sharing these wonderful experiences with them!
